Abubakar Lawwal

Looking for any opportunity to learn and grow as an individual.

Abuja

lawwala43@gmail.com

09032940430

Web developer with a year of experience. Working on pet projects to develop my skills. Very passionate about how technology is used to solve problems and the windows it opens for innovation.

Willing to relocate: Anywhere

Work Experience

National Youth Service Corp

National Information Technology Development Agency - Abuja

March 2022 to Present

Tools Used:
1. Reactjs, MongoDB, Node.js, Epress.js, Python

• studying algorithms and data structure to implement efficient software
• Learning about API calls and how to connect different parts of an application to function as one.
• Modeling using UML class, sequence, and Use Case diagrams.

System Administrator

Project IN:FUSE - Remote

April 2021 to October 2021

• Inviting new employees, onboarding, and setting them up with the system to help boost individual productivity in the company using Bitrix24.
• Created company emails and integrated them with employees' personal Gmail.
• Learned how to automate tasks using Bitrix24.

Dorm Secretary General

American University Of Nigeria - Yola

September 2019 to April 2020

Worked as the Secretary-General of a dormitory as I undertook my undergraduate degree. I got this position through a vote in the dormitory where I used to reside. The tenure lasted for an entire academic calendar year. The role was to organize meetings with the dorm executives, note down key points in our meetings, make sure all decisions carried out during our meetings were implemented, and carry out other duties to make the dormitory comfortable for the students.

Education

Undergraduate in Software Engineering

American University Of Nigeria - Yola

September 2017 to December 2021

Senior Secondary

Nigerian Tulip International College - Abuja

September 2015 to September 2017

Skills

- JavaScript
- Node.js
- APIs
- MongoDB
- Git
- React
- MySQL
- CSS
- Java
